

Market Research into our community's social needs

Co-operative Care Colne Valley will deliver a new type of social care which goes beyond meeting a person's basic social or homecare needs. Our vision is for everyone, staff, local volunteers, users, to work together and provide people we support with other activities so they can live life to the full. We recognise that it is important for people to keep active and involved in their communities as this improves their wellbeing and prevents isolation, depression and other illnesses.

We would like to find out more about the type of activities people would like, in addition to home care. For example, meeting other people, help with shopping.

Please will you take a few minutes to complete this short survey and ask other people you know to complete this survey also. They can complete it for themselves or with parents, neighbours or friends.

If you prefer, we can complete this form with you over the phone. Please email mithu@valleycare.coop or phone 07547 409422 and we will contact you to arrange a convenient time with you.

Please send your completed form back to mithu@valleycare.coop by **23 September** or post to: Mithu Komarnyckyj, CCCV, Slaithwaite Civic Hall, 15A New Street, Slaithwaite, Huddersfield, HD7

We will keep your personal details and information safe and confidential.
