

Hi All,

Sorry to be missing the meeting tonight. As promised, I have attached a short update on marketing activities following our action group. Thanks to everyone for their input.

- We have given the go ahead for the leaflet drop with Mr Flyer for w/c 28th March. Danielle & Mark are meeting in Steph's absence to design leaflet to incorporate recruitment / services. Steph to sign off.
- Meeting booked with Give a Few Words to discuss a speaker slot at their next networking event.
- Slot booked with Huddersfield Macular in October to give a presentation to their support group for user members.
- Contacted Colne Valley High School to discuss working with them. They are phoning me once I'm back from my short holiday.
- Waiting blog posts from Tracey & John for website.
- Email sent to HD Connect regarding an editorial feature - waiting a response.
- Topics for blog posts always welcome - a few have been posted across social media over the last couple of weeks.
- Contacted John Smiths Stadium regarding job fair - waiting a response.

If anyone has any ideas or would like me to take the lead on any marketing opportunities please let me know.

Best wishes

Steph
