Application information
<p>Please tell us, in a few sentences, why you are interested in becoming a board member at Co-operative Care Colne Valley.</p> <p>I have been involved with community organisations for over 40 years</p> <p>One of the most important issues facing us as a society is adult social care and how this is delivered. We are all too aware that the current system is not working, this is caused by several reasons, as we well know.</p> <p>A Co-operative approach to these problems is to be welcomed, as it brings a new dynamic to addressing the current issues.</p> <p>If we are to address the huge challenges and provide the service that our most vulnerable deserve, then a different approach is required, at least until the failing system we now have is addressed by a national system that works for all those in need.</p> <p>I believe that my past experiences and commitment to community-based organisations will allow me to play a full role in continuing the excellent work currently carried out by the Co-operative.</p>
<p>Please tell us, in a few sentences, about your skills and experiences which are relevant to a board member role at Co-operative Care Colne Valley.</p> <p>I have as I have said have been involved in community groups and what could be described as community action for over 40 years, so I have a wealth of knowledge on community issues and how they are funded and run.</p> <p>I have been an elected Parish Councillor for over 30 years. I have also been an elected member of Kirklees council since 2012, having had a short sabbatical in 2021, I was re-elected to Kirklees in May 2022.</p> <p>I have been lucky enough to serve as a cabinet member for much of my time as an elected member, firstly as the corporate cabinet member.</p>

The primary function of this role was to look after the finances of the council, so I have a very good understanding of local government finances.

Having been over the years a trustee of several charities I also understand the financing of the third sector organisations.

I am a hard worker and don't undertake any role without making sure I have the time and energy to fully commit to making it a success.

I believe I have good personal skills and like to think I can communicate well with people.
