

Regulated services meeting: 2nd February: Bullet points

- Some flood damage to equipment. Insurance or claim from youth club?
- Recruitment: picked up. 5 new starters and 2 for interview
- UM hours: steady increase mainly by word of mouth. Continuing healthcare agreed a Um at a higher rate and interested in using us in the future
- Kirklees registration; Wrong date given: now end of March but not many on list anyway and would be direct payments
- Tracy's hour to review. At present 25. Should they go back down to 20 or does work justify 25 hours.
- No complaints , lots of good feedback from families
